AUTHENTIC DELI & KOSHER CUISINE

The Schwartz Bakery family welcomes you to our new and exciting deli! We at Schwartz know how important healthy, delicious, kosher dining is to our friends and neighbors, and we've put that thought into every bite of each dish on our menu. From our fresh and delicious baked goods to our scrumptious salad dressings which are made from scratch to our mouth-watering soups made from original recipes. We make sure to bring you the finest, freshest ingredients under the strictest observance of Kashrut.

We've put great care into choosing every ingredient. Even something as simple as lettuce has been especially selected by our chef. Our lettuce is exclusively grown in RCC supervised greenhouses. The clean environment discourages bugs which means fewer pesticides for you and your family. Our meat also is the freshest and most strictly kosher on the market today. Ask us about our hormone-free meats as well!
